# HOW TO REPORT YOUR HEDGEHOG SIGHTING

Please send us the following information:

|                               |           |              |                     |
|-------------------------------|-----------|--------------|---------------------|
| Date you saw the hedgehog(s)  |           |              |                     |
| Location                      | Road name | Town/village | Postcode (if known) |
| Your name                     |           |              |                     |
| Any comments (e.g. how many?) |           |              |                     |
